Review the previous sheet. What do you observe?

How did you get from “there” (2010) to “here (2020)?” Who was involved?

What circumstances/situations mediated the movement from “there” to “here?”

Describe the freedoms/healings you have experienced during this time from “there” to “here”.

How has God been laboring in you from “there” to “here”?

What does this mean for you in terms of your relationship with God?
